Weekend Cook

Career Profile I am a committed, hard working person who wants to make use of her abilities to cook good, healthy and natural food. I was always passionate about how diet influences human health, and I am still up to date with the newest dietary recommendations.

Key experience I regularly cook meal for an older lady, and sometimes help with health care. These meals are always made with very fresh ingredients. She particularly likes the soups that I make. I work in Westabank care home as a cook and my duties include cooking for at least 40 residents.

- hands-on experience of preparing food for large number of people
- good understanding of foods and nutrition suited to older people and basic hygiene good practice
- good knowledge of vegetarian dishes
- a good team worker
- a caring attitude to older people
- reliability and punctuality
- an awareness of costs in food preparation and interest in cuisine from different countries
- a willingness to learn and undertake an further training necessary to do a good job.
- an ability to learn quickly
